Data Protection Policy

Data Protection Policy

1. Overview

1.1 The goal of the data protection policy is to depict the legal data protection aspects in one summarising document. It can also be used as the basis for statutory data protection inspections, e.g. by the customer within the scope of commissioned processing. This is not only to ensure compliance with the European General Data Protection Regulation (GDPR) but also to provide proof of compliance.

1.2 The General Data Protection Regulation (GDPR) is a regulation, which requires any business that processes data belonging to UK & EU citizens to protect it and not misuse it. As a responsible business, Charlotte's Forest School aims to robustly implement the requirements of the GDPR. Part of meeting the obligation of meeting the obligations of GDPR is the production and implementation of this policy.

1.3 Charlotte's Forest School is committed to the rules of data protection and abiding by eight data protection principles. These are the principles that must be satisfied when obtaining, handling, processing, moving and the storage of personal data.

1.4 As an ITC First approved training centre, Charlotte's Forest School must collect and process information as required by ITC First awarding body and its regulators. Charlotte's Forest School is therefore considered the Data Processor and its course candidates and employees the Data Subjects.

2. The 8 Data Protection Principles

- a) Data must be obtained and processed fairly and lawfully.
- b) Data must be obtained for a specified and lawful purpose.
- c) Data must be adequate, relevant and not excessive for its collection purpose.
- d) Data must be accurate and kept up to date.
- e) Data must not be kept for longer than is necessary for its purpose.
- f) Data must be processed in accordance with the Data Subject's rights.
- g) Data must be kept safe from unauthorised access, accidental loss or destruction.
- h) Data must not be transferred to a country outside the European Economic Area.

3. Data Subjects Rights

3.1 Under the GDPR individuals have rights associated with their data, described below:

- a) The right to be informed
- b) The right of access
- c) The right to rectification
- d) The right to erasure
- e) The right to restrict processing
- f) The right to data portability
- g) The right to object
- h) Rights in relation to automated decision making and profiling

3.2 Children's Personal Data

For the benefit of this policy a child is classed as a young person under the age of 16. Children must have parental (or an individual in loco-parentis) consent for ITC First to collect and process their data. ITC will maintain evidence of consent using our learner registration process.

4. Data Collection

4.1 Charlotte's Forest School acts on behalf of ITC First, by gathering and submitting learner data securely via the ITC website and/or registered post. Charlotte's Forest School has a legally binding Centre Agreement, which confirms that Charlotte's Forest School publishes and implements a Data Protection Policy (this document).

4.2 Charlotte's Forest School collects data as part of the booking and registration process required for qualification delivery. Charlotte's Forest School collects and retains data as part of its Charlotte's Forest School administrative tasks.

4.3 When individuals provide their data to Charlotte's Forest School, the data is submitted to ITC First and is used to:

- a) Attribute qualification credit to learners
- b) Produce commemorative certificates
- c) Produce CPD certificates
- d) Receive information pertinent to qualifications
- e) Enable ITC to contact you at your request (depending on when your data is provided and in which specific context or interaction with ITC First)
- f) Monitor ITC First qualifications to ensure equality and inclusivity

4.4 Learners' data will only be used for the legitimate purposes described above. Any changes to the ways in which learner data is used will be communicated to those individuals affected.

5. Data Storage

Charlotte's Forest School will ensure that:

- a) Data is held securely such as password protected computer, locked cabinets/drawers, encrypted, computers have appropriate virus/data protection software appropriate to the business.
- b) Course registrations (which includes, name, address, contact details, ethnicity, signature) are removed from sight and access of other course candidates immediately after completion.
- c) Data is not disclosed or shared verbally or in writing to any unauthorised party.
- d) Charlotte's Forest School will download course candidate data to their part of the ITC website and promptly submit all documentation to ITC First. Data submitted will only be viewable via individual unique User log on and password of Charlotte's Forest School and ITC First.
- e) Charlotte's Forest School will not share their log on and passwords with any unauthorised individuals or companies.
